

When... Goes Horribly Wrong

—
EXPECT THE BEST BUT PREPARE FOR THE WORST!

A new diet pill, a beach side vacation, or an eyebrow lift, each of these luxuries promise a better life, but they also carry insidious dangers few people realize.

This jaw-dropping series explores how things can go painfully, dramatically and sometimes tragically wrong when we least expect it as the risks of luxury become a horrifying reality.

In each episode, a different industry is examined through firsthand interviews with the real-life people whose holidays, cosmetic surgeries or diets ended in disaster.

A team of experts offer their analysis on how these tragic events occurred and advises viewers on how best to avoid these terrors.

When...Goes Horribly Wrong offers a shocking spectacle of horrific situations in luxurious settings, but also gives cautionary tales that can help viewers from falling victim to a similar fate.
