

Exposed: The Church's Darkest Secret

—
THE UK CHURCH'S BIGGEST SEXUAL ABUSE
SCANDAL IS FINALLY REVEALED.

From the producers of the award-winning documentary Love and Hate Crime comes this sensational two-part documentary that rocked the UK, exposing decades of sexual abuse and cover-ups that leading all the way to the British Royal Family.

The series uncovers the abuse within the Church of England, as the establishment seeks to protect itself at the expense of young victims, while the brave few fight for justice.

Bishop Peter Ball was a celebrated figure in the Church of England a confidante of Prince Charles, a guest at his wedding to Camilla, and a close ally of Archbishop of Canterbury.

But now, the 86-year-old retired Bishop is known as the most prolific abuser of young men in the history of the Anglican Church and someone who was protected by the establishment for decades.

With its jaw dropping revelations and many twists and turns, the compelling narrative is told by those intimately involved in the story, victims and lawyers working tirelessly to investigate and expose the sensational evidence that remained hidden, until now.
